First Steps
Perinatal
Day Treatment

their future is in our hands

- Learn about addiction treatment and how it is just as effective as treatment for chronic medical conditions, such as diabetes and hypertension
- Learn how effective treatment reduces drug use, medical visits, welfare dependency, homelessness, criminal activity and unemployment
- Learn about how [every dollar invested in treatment yields \\$7 savings](#) in legal, medical and social costs
- Learn about DAAC's **VISION FOR THE FUTURE** and how you can help make this vision a reality for our community
